A year-end message for all PROJECT MANAGERS

ANNOUNCEMENTS AND NEWS!

Here's sincerely thanking customers for loyal support in 2018 – and a friendly reminder to send in equipment¹ for repair and service as early as possible!

We don't need old Chinese proverb to tell us:
"Reworks cost ten times more than one time good work with adjusted instrument!"

2019 Points and Pointers

- **Industry 4.0**

Partner with us in innovation and disruption! It's profitable and here to stay.
